

Deacon Mr. **Ramen Youkhanis**,
Brothers and Sisters in **ACERO Australia**,
Community Members in **Australia**,

First, we would like to say, **thank you!** On behalf of the **Assyrian Church of the East in Lebanon**, Board members and volunteers of the **Assyrian Support Committee** under the continuous blessings and support of his beatitude **Mar Meelis Zaia**, Metropolitan of the Assyrian Church of the East Diocese of Australia, New Zealand and Lebanon.

Your continued support of our mission is deeply gratifying to us, and we hope it is the same for you. Together we are making big difference!

As you know, our community is facing hard times due to the economic, social and political crisis. In addition to the global **COVID-19** outbreak that weakened Lebanon's structure on all levels, the **Beirut Blast** happened and led to a catastrophic situation. Not to mention that our committee has been already dealing with war consequences in Iraq and Syria, and trying hard to respond to our families' needs from relief, shelter, health, education, legal and psychosocial support, especially after ISIS attacks against our villages.

Your donation **has already started to support 800 families with food baskets, medication and rehabilitation of houses affected by the blast**. Our teams in different focal point locations are daily brainstorming to provide new projects and better support our community.

Please feel free to visit our website or contact us on the credentials below if you have any specific questions, we would love the opportunity to thank you again!

With deepest gratitude, and warmest wishes,

Assyrian Church of the East Support Committee,
Board of Directors
